

IVth EUROPEAN SECURITY CONFERENCE INITIATIVE

4 - 5 March 2010

Zugspitze Skiing Resort – Garmisch-Partenkirchen – Germany (Bavaria)

Main Theme

Changing Perceptions of Citizen Security and Acceptance of Security-enhancing Interventions

ESCI is a one-stop annual multinational security conference platform, typically reuniting experts from academics and research, policy, business and industry from more than 20 countries. ESCI's thematic structure reflects main themes of security research within FP7, focusing on societal vulnerabilities and resilience, along with tangible results of scientific inquiry into main themes of EU-related security research. ESCI 2010 will host the final symposium of CPSI (Changing Perceptions of Security and Interventions), a multinational research project in the EU 7th Framework Programme, see cpsi-fp7.eu.

DAY 1	DAY 2
<p>Panels, keynotes and roundtables</p> <p>Actual Risk vs. Felt Security – Cases and Conclusions</p> <p>Methodological Approaches to the Perception of Security</p> <p>Sociological Analysis of Insecurity</p> <p>Security Interventions in the Perspective of the Comprehensive Approach</p> <p>Towards an All-Hazard Approach to EU Citizen Security</p> <p>Reception in the Zugspitze Summit Lounge</p>	<p>Workshops</p> <p>Option A: Workshops on research methods in citizen security</p> <p>Option B: Workshop for security stakeholders from business</p>

For detailed information and registration please visit www.esci.at

ESCI is organized by the [CEUSS | Center for European Security Studies](http://www.ceuss.at)
at Sigmund Freud Private University Vienna Paris under the chairmanship of Prof. Alexander Siedschlag

ESCI 2010 is the final dissemination event for the collaborative research project "Changing perceptions of security and interventions" (CPSI), funded by the European Commission under the 7th Framework Programme, theme "security", call FP7-SEC-2007-1, Project/Grant Agreement No. 217881.
