

3rd ESCI, 2-3 JULY 2008
EUROPEAN SECURITY CONFERENCE INITIATIVE

MAIN THEME: SECURITY AND SOCIETY
EVOLVING CHALLENGES AND COMPREHENSIVE RESPONSES

CURRICULUM VITAE

Riccardo Bonazzi

Mr. Riccardo Bonazzi is completing this summer the Master of Science in Business Information Systems at HEC University of Lausanne. He has a Bachelor in Business Process Engineering obtained from the University of Bologna (Italy), where his final paper was done in an enterprise (Aster), with the title "Adoption of e-business by Small and Medium Enterprises of Emilia Romagna region: opportunities et obstacles". As of July 2007, he has worked with Cross-Border Research Association as a part-time researcher in customs risk management, playing a key role in setting up a global survey study on the topic. Mr. Bonazzi's other work experience includes student assistant for the Java programming class at HEC UNIL, and a project management consultant for Local Group of Action (GAL) of Bologna. He has also co-written a book of telecommunication course for the department of Business Process Engineering of the University of Bologna.
