

**3rd ESCI, 2-3 JULY 2008**  
**EUROPEAN SECURITY CONFERENCE INITIATIVE**

MAIN THEME: SECURITY AND SOCIETY  
EVOLVING CHALLENGES AND COMPREHENSIVE RESPONSES

## **CURRICULUM VITAE**

### ***Wolf Dombrowski***

Wolf R. Dombrowsky, born in 1948, graduated in sociology and political economy at the University of Bielefeld; he received his Doctors degree from the same University with a thesis on disaster and disaster relief. Since 2006 he is Professor at the Fachhochschule im DRK Göttingen for sociology and disaster management.

Since 1979 he is doing disaster research at the Sociology Dept. of the University of Kiel. 1987 he became Co-Director of the Katastrophenforschungsstelle (KFS), the unique sociological Disaster Research Center in Germany; 1991 Director of KFS.

He has published several books and many articles on human behavior in disasters. He is an advisor to the German Ministry of the Interior, the German Red Cross, the German Fire Brigades, and a consultant to major companies (Bayer AG, Badenwerk AG, VAW, Flughafen Hamburg AG, Hewlett Packard) and German administrations (Federal and State).

From 1990-94 he has served as First Vice President of the Research Committee on Disasters of ISA; from 1994-2002 he was co-editor of the Int. Journal of Mass Emergencies and Disasters. From 1999 on he is a Member of the German Radiation Protection Commission.
