EVOLVING CHALLENGES AND COMPREHENSIVE RESPONSES

CURRICULUM VITAE

Tamanna Khan

Ms. Tamanna Khan is currently working on Masters in Science in Management at HEC, University of Lausanne, Switzerland, planning to complete the degree in July 2009. Previously, she has completed Executive Master in Management of Logistical Systems from École Polytechnique Fédérale de Lausanne (EPFL) and Bachelor of Science in Industrial Engineering from University of Texas at Arlington (UTA), Texas, US. As of January 2007, she has worked as part-time research assistant at HEC UNIL, funded by the Swiss Science Foundation, under the supervision of Prof. Ari-Pekka Hameri in multiple Supply chain security management research projects. Ms. Khan has been developing case studies and she has contributed on voluntary certificate implementation for two major case companies (tobacco and clothing), with Cross-border Research Association. At present, she is working on two potential articles, 'A comparison study of two voluntary security initiatives' and 'Implementation of EU AEO'.
