**EUROPEAN SECURITY CONFERENCE INITIATIVE**  
MAIN THEME: SECURITY AND SOCIETY  
EVOLVING CHALLENGES AND COMPREHENSIVE RESPONSES

## **CURRICULUM VITAE**

### ***Michael Krausz***

Mr. Michael Krausz studied Physics, Computer Science and Law at the University of Technology Vienna, University of Vienna and Webster University Vienna. He is a Certified Information Security Management Systems Manager and Auditor as well as a Certified Professional Investigator. Being a dedicated pioneer to the field since 1995 he created the first training classes on the modern concepts of information security in Austria in 1998, the technical entry examination for all future ISO 27001 auditors in Austria in 2002 and a 2-year IT-forensics training program for an international public sector customer. After 10 years of system administration and IT-Management, Mr. Krausz now serves as a consultant to national and international enterprises focusing on consulting for ISO 27001 related topics (certification assistance, risk analysis, audit support), white-collar crime investigations and training classes for management and organizational IT staff.
